1. "At Targosor, near Ploesti a special school for Rumanian Air Force pilots has been in operation since 1947. The students of this school are carefully selected from among young activists, have to pass various political examinations and must be of workers' or peasant descent.
2. "In addition to three hangars, which belonged to the school and were built by the Germans during the war, four new hangars and one new runway were built in 1948.
